

The **Andalusian Centre for Nanomedicine and Biotechnology (BIONAND)**, promoted by the **Regional Ministry of Health, the Regional Ministry of Economy and Knowledge** and the **University of Malaga**, is happy to invite you to **ETPN2017**, a 3 days event to meet the European Nanomedicine community which will take place from **17<sup>th</sup> to 19<sup>th</sup> October 2017** in **Malaga and Torremolinos**. BIONAND is proud of being the local contact of this annual event organized by the **European Technology Platform on Nanomedicine (ETPN)** in close collaboration with a consortium of other strong partners from the Spanish Nanomedicine community, which also includes CIBER-BBN (coordinator of the consortium), IMDEA Nanociencia and Nanomed Spain (the Spanish national platform of Nanomedicine).

ETPN2017 is the unique place to discover, to meet, to network, to prepare new projects, to brainstorm about Nanomedicine and its industrial expansion, all in a warm and friendly atmosphere. Among the key presentations on schedule this year, you will notably share the latests insights from the Nanomedicine Translation Hub, initiated by ETPN like the Translation Advisory Board, EUNCL, the Pilot Lines and many other key actions dedicated to all Nanomedicine and MedTech stakeholders. You will also be offered various opportunities to present your innovative projects throughout the three days, and nice socials events for networking in a pleasant environment. The programme also includes the opportunity to visit BIONAND's facilities on 18<sup>th</sup> October.

The program, registration process, and all relevant information is published on the dedicated website : [www.etpn2017.eu](http://www.etpn2017.eu).

In the framework of the **12th ETPN Annual Event**, there will also take place the **TAB-In Sessions**, a series of face-to-face meetings with experts to be held on the **19th of October 2017**. This parallel event is organized by **ENATRANS - Enabling Nanomedicine Translation: nanomedTAB – Nanomedicine Translation Advisory Board** ([www.nanomedtab.eu](http://www.nanomedtab.eu)), a **free-of-charge mentoring program to assess, advise and accelerate promising nanomedicine projects to the market**, based on the diverse experience of top skills industry experts (<http://nanomedtab.eu/index.php#experts>).

The **sixth edition of applications** to be invited to attend to TAB-in Sessions is open until the **18th of September 2017**, to companies and public and private research entities. Applications can be submitted at <http://nanomedtab.eu/?apply>.

**nanomedTAB**  
Nanomedicine Translation Advisory Board

**APPLY NOW!**  
To the 1<sup>st</sup> European Mentoring Program for Nanomedicine

**FREE OF CHARGE**  
6th edition

The nanomedTAB will:

- ✓ **ADVISE** your development strategy
- ✓ **ASSESS** the status & prospects of your innovation
- ✓ **ACCELERATE** your innovation to market

**Next TAB-In Sessions, October 19<sup>th</sup>**  
Malaga (Spain), during 12<sup>th</sup> ETPN Annual Event

Apply until September 18<sup>th</sup>
